Dear Dr.  25X1A5a

We have taken the liberty of reserving a room for you beginning the night of September 8, at the Roger Smith Hotel at 15th Street and Pennsylvania Avenue. Your four colleagues on the Consultants Panel will also be staying there. If this will not be convenient, please advise me as soon as possible.

We hope you will find it possible to reserve Thursday, September 10, for dinner. We would like to have you and your fellow consultants, together with a number of us here, for cocktails and dinner at the Kenwood Golf and Country Club beginning at seven o'clock.

We are looking forward to your arrival.

Sincerely, 25X1A9a
